

How to Format Five Levels of Subheadings in Turabian 8th Edition (See Page # 393)

1. First level: centered, boldface, headline-style capitalization (see examples below)

Deity of Jesus Christ

2. Second level: centered, regular type, headline-style capitalization

Jesus Bears Witness to His Own Deity

3. Third level: flush left, boldface, headline-style capitalization

The Apostles' Teaching Concerning the Deity of Christ

4. Fourth level: flush left, regular type, sentence-style capitalization

Paul's teaching concerning the deity of Christ

5. Fifth level: run in at beginning of paragraph (no blank line after), boldface, sentence-style capitalization, terminal period.

The early church on the deity of Christ. The early church fathers affirmed the deity of Christ. Two of the church fathers Polycarp and Ignatius...
